

Electronic Synergy Foundation  
Presents:

# Electronic Recycling Event

**DON'T TRASH IT - RECYCLE IT!**

[www.electronicssynergy.org](http://www.electronicssynergy.org)

**(918)951-3902**

- WHEN** Saturday, October 19th 10AM to 4PM
- WHERE** Sooner Park Swimming Pool Parking , 420 SE Madison Boulevard, Bartlesville OK 74006
- WHAT** Donors are asked to bring their unwanted electronics for recycling. Acceptable Materials\* in any age/condition/quantity are welcome and **FREE** to recycle. This event is **open to everyone** (business or individual) with unwanted electronics.
- Acceptable Materials** Computers, laptops, printers, microwave ovens, cell/desk phones, office equipment, home entertainment devices, televisions, etc. Just about anything **NOT** on the Prohibited Material list
- Prohibited Materials** Items with Freon (refrigerators/air conditioners), Anything radioactive (like smoke detectors), Anything bio-hazardous (dirty medical equipment) , light bulbs
- WHY** Unwanted electronics create environmental hazards when disposed of in landfills. Non-profit organizations can use the working items that you no longer want.
- WHO WE ARE** Electronic Synergy Foundation is a 501C3 non-profit electronic recycler. Our mission is to leverage the recycling of electronics for environmental stewardship and charitable works. Electronic Synergy Foundation guarantees data destruction and environmentally friendly disposal for all material received. We **DO NOT** export or landfill ewaste.
